In Person Service Projects

1:40 pm to 4:45 pm

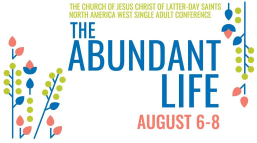

Operation Underground Railroad (O.U.R.) is a United States-based non-profit organization whose goal is to assist government agencies in the rescue of human trafficking and sex trafficking victims. We will hear from the Operations Project Manager, Amanda Spencer, who is a young single adult and then participate in several meaningful service projects to aide children who are rescued and the men and women who put their lives on the line to rescue these children.

UCLA will have mobile units set up to allow for blood donations throughout the afternoon. We are currently experiencing the worst blood shortage we have seen in over 40 years. Your blood donation can help alleviate this blood crisis and you will receive a promotional item for your donation.

“Santa Clarita Grocery” is receiving the largest food donation it has ever received from our food distribution center in Salt Lake City. We need your help in organizing and categorizing 24 pallets of food which will be distributed to organizations around the Santa Clarita Valley reaching those who are experiencing food hardship.
